**IMAGINE A PLACE
WHERE YOUR DREAMS
ACTUALLY COME TRUE ...**

WELCOME!

Dear Bride and Groom-to-be,

First of all we would like to extend our best wishes for a blissful married life to both of you.

The perfect start to life as a couple begins with an unforgettable celebration.

With its idyllic setting and outstanding service, the Manoir de Lébioles is the perfect location for the most romantic of wedding receptions, for that unforgettable experience you will treasure for years to come.

From our overall program to our culinary delights, we offer you a service that allows you to enjoy your wedding day to the full because, after all, this is your day!

It will give us tremendous pleasure to organize this special event for you, to add a creative touch to the occasion and to shower you with a level of personal attention that you will remember for the rest of your lives.

Nestling majestically in the woods of the Ardennes, the Manoir de Lébioles, with its immaculately kept grounds, discreet luxury, intimate atmosphere and first-class service, is sure to hold you spellbound.

It is to Georges Neyt (1842-1910) that we owe one of the most beautiful architectural heritage buildings in the town of Spa. This extraordinary visionary, diplomatic envoy and minister plenipotentiary, who claimed to be a natural son of King Leopold I, built the Manoir de Lébioles between 1905 and 1910.

After more than one year of refurbishments, this "little Versailles of the Ardennes" finally regained its former glory in September 2006. The standards laid down by an international team of qualified architects have been instrumental in combining comfort, modernity and flawless lines, whilst maintaining the Manoir's centenary soul.

Other than this majestic building and its unspoiled surroundings, our philosophy is to, on the one hand, offer our patrons a gourmet cuisine that caters for the most discerning palates and, on the other hand, a wellness centre where you are guaranteed to find rest and relaxation at the hands of our outstanding professionals. But, above all, the Manoir de Lébioles stands for the warm family hospitality we shower on all our guests. We aim to offer you the ultimate in comfort – all you need to do is to relax, and we will take care of the rest! Simply let us know your wishes and we shall only be too delighted to fulfil them.

SPA

The pearl of the Ardennes ...

... a name often used for Spa, a town noted for its glorious past. During its hay days, in the 18th and 19th centuries, Spa was known as "the Café of Europe". Thanks to its mineral and thermal springs Spa has now become a modern health and thermal spa resort. The town itself is home to some 11,000 residents and its future looks more than promising.

Throughout the year, Spa hosts a number of folkloric and cultural events which attract visitors in their droves. The music festival "Francofolies de Spa", which has become famous well beyond Belgian borders, its famous theatre festivals and the carnival of the Blancs Moussis of Stavelot are only some of the many events that have made this dynamic region so attractive to visitors.

Also sport fanatics do not miss out in the "land of the springs": apart from the world-famous Formula One racecourse of Spa-Francorchamps and its many spectacular sporting events, Spa boasts countless hiking trails and mountain-biking circuits, swimming pools, ski-slopes (alpine and cross-country skiing) as well as motorsport and parachuting centres. Moreover, with the "Royal Golf Club des Fagnes", Spa can proudly lay claim to one of the oldest and most beautiful golf courses in Belgium.
